Subject - PURCHASE OF A NEW TYPEWRITER

I have the honour to state that in pursuance of the Council Resolution dated 7-3-49, approving the purchase of a new Remington Typewriter for use in the President's Office, as explained in the President's note a new Typewriter No 17D/J 1499885 Policy size Remington Standard Typewriter was purchased at a cost of Rs 837-13-0 from Messrs Remington Rand Inc St Mark's Road, Bangalore The usual procedure of calling for quotations before purchase was found unnecessary in the circumstances stated in the Civil Supplies Controller's Letter No 7239 dated 25-4-49 (copy enclosed) The bill of the firm has been admitted in audit pending sanction of Government as per copy of the Audit objection enclosed herewith

Necessary funds for purchasing this machine have been provided under the Revised Estimates for 48-49 which has been passed by the Council at their budget meeting held on 23-6-1949

Copies of the Council Resolution dated 7-3-49 and of the Honorary President's Note are enclosed herewith for reference

I request that sanction of Government may be kindly obtained at an early date for the action taken in the matter

Yours faithfully,

Forwarded with compliments

HONORARY PRESIDENT

MUNICIPAL COMMISSIONER

Copy of letter No 7239 dated 25th April 1949 from the Controller of Civil Supplies in Mysore, Bangalore to the Municipal Commissioner, Bangalore City

---

In reply to your letter No R1 P R 71/48-49, dated 14th April 1949, I write to inform that there is no Control on Typewriters excepting that arrangements are made by this department to supply Government requirements only

In the circumstances public bodies and the public should purchase their requirements from the dealers direct

There are local agents for almost all makes of machines and any one of them will be ready to supply your needs

---

It is observed that the typing done on the L C Smith Typewriter in the Council Section is bad and it is said that it is not working satisfactorily in spite of constant repairs from time to time and that it is a very old machine I therefore suggest that a new remington Typewriter be purchased for the use of the President's Office May be placed before the Finance Committee on 7th February 1949 for favour of sanction
